

## **Katie Ré Scheidt**

b. 1975 • New York, NY

Currently works in Roxbury, CT

Katie Ré Scheidt is an abstract expressionist artist, primarily working in acrylics, gouache, oils and charcoal. A sumptuous palette and dynamic approach to painting contribute to Scheidt's style. Uplifting and lyrical, her work is unscripted and often left in a state of dynamic incompleteness. Scheidt's work is about letting ideas flow with the suspension of judgement.
